HEAD OF SCHOOL *happenings*

Dear Pope Francis Global Academy Families,

Next week we are inviting school parents to our Back to School Open Houses from 6:30 pm - 7:30 pm on these dates:

North Campus- Monday, September 9, 2019

South Campus- Thursday, September 12, 2019

The Back to School Open House gives you the opportunity to visit your child's classroom and meet his/her teachers. A reminder to all parents that this is not a time to have a conference. If you would like

to meet with your child's teacher please feel free to set up a conference with them.

Our teachers are excited to meet with you to discuss their curriculum and what they have planned for your child(ren) this year. It is an important night to hear from the teachers, meet the parents of your children's classmates, and to join together to start our year as one community.

There will be opportunities to hear more about our school community groups, extracurricular offerings as well as sign up for volunteering in the classroom and for other school projects.

We will begin the evening at 6:30 pm with a prayer and welcome in the north campus auditorium and the south campus gym respectively and will then dismiss everyone to visit their child(ren)'s classroom(s). Please allow for time to visit the information tables so that you can learn more about our school community and all that we have to offer.

Home Language Survey

Under the Title III Federal program, students who are considered English Learners could qualify to receive additional academic support to achieve English Academic Language proficiency. The process begins with determining the language(s) spoken in the home of each student. The responses to the home language survey will assist in determining if a student's proficiency in English should be tested.

This information is essential in order for Pope Francis Global Academy to provide adequate instructional programs and services, and I am asking for your cooperation in the attached Home Language Survey. Thank you for your cooperation.

Blessings and peace,

Margaret Kinel
Head of School
