HEAD OF SCHOOL *happenings*

Calling All Cowgirls and Cowboys!

Howl at the Moon has Gone Country and is only a week away! The Auction committee and several parent volunteers are working very hard on what is sure to be a boot scootin' fun night to support our school! This is definitely a night that you won't want to miss so make sure that you don't miss out on this spectacular evening. Gone Country consists of a silent auction, dinner, and live music. The evening will be a time where WE come together as family, friends and a school community to show our support for Pope Francis Global Academy and its students. The money raised from this event is used to offset what tuition alone cannot cover. Without the support of our school families, local business donations, parishioners, friends and benefactors, we could not have such an extraordinary event.

We ask that each family do their part in supporting Gone Country. There are several areas to assist: donating to the silent auction, supporting Class Baskets, attending, and volunteering the night of. Please share your time, talent, and treasures with us in support of our school.

Prizes will be awarded for best cowgirl/cowboy getup so get creative, and I hope to see you all there decked out in your finest country western wear!
