HEAD OF SCHOOL *happenings*

Dear Pope Francis Parents and Guardians,

This time of year tends to come and go in a whirlwind if you're not careful. Thanksgiving break rolls into Aspire testing and then Christmas programs, shopping, and baking; a general frenetic feeling can surround us. As we head into this first Sunday of Advent, I hope you will join me in taking a step back to try to focus on not letting this beautiful season get by us without enjoying every bit of the anticipation and peace that it is intended to bring. There are some lovely traditions that you might consider to help your family focus on what's important. [Here is a starting point.](#)

Many of our 8th graders will sit for the Catholic High School entrance exam this Saturday morning at 8 am. Please join us in prayer for them to bring their best efforts and confidence (plus the \$25 entrance fee and 2 #2 pencils) to the Catholic High School of their choice on Saturday morning! We are lucky to have about 30 Catholic High Schools in the greater Chicagoland area. Complete information is [HERE](#). We are very proud of all of them and anticipate that they will do very well.

Prayer Before an Exam

Dear Lord,

As I take this exam, I thank you that my value

Is not based on my performance, but on your great love for me.

Come into my heart so that we can walk through this time together.

Help me, not only with this test, but the many tests of life that are sure to come my way.

As I take this exam, bring back to my mind everything I studied
and be gracious with what I have overlooked.

Help me to remain focussed and clam, confident in the facts and in my ability,
and firm in the knowledge that no matter what happens today you are there with me.

Amen

Our Student Council, with the help of couple of our founding parish social justice groups, wrapped up both a food drive and a diaper drive in November and once again, we are impressed with the generosity from everyone. We are very proud of the hearts of service which our students and community clearly have. We enjoyed reading this letter of thanks from The Women's Center, one of the beneficiaries of our Diaper Drive:

Dear Student Council Advisors, Ms. Zelinski & Mr. Krohnke, and the Student Council Officers from both the north and south campuses of Pope Francis Global Academy and the St Pascal's respect life group,

I want to personally thank the students from Pope Francis Global Academy, both the north and south campuses, for hosting a hugely successful diaper drive for The Women's Center of Greater Chicagoland. Your donation of more than 5,700 diapers will help dozens of mothers in need. Receiving diaper donations is so critical to our mothers who are struggling financially. As you know, diapers are very expensive and babies go through them very quickly, so your generosity is greatly appreciated. Also, a big thank you to the St Pascal's Respect Life group for assisting with gathering, transporting, and delivering the diapers to The Women's Center. Your continued support throughout the year of The Women's Center is so heartwarming. Thank you for all you do to help The Women's Center.

It is because of supporters like you that we are able to provide our life saving work and material assistance program to the thousands of women we see each year. Just last month we reached a total of saving 40,000 babies since 1984. Your support helps us to continue our mission of changing hearts and saving babies, one woman at a time.

I'm blown away by the selfless act of kindness of the students at Pope Francis Global Academy south and north campuses. Hearing that you took it upon yourselves to initiate the diaper drive and worked closely together to achieve huge results brings so much joy and hope to my heart. I can't thank you enough. Should the Student Council conduct another diaper drive next year, The Women's Center would be most grateful to receive any diapers you collect.

*May God bless you abundant for your generosity,
For Life,
Meghan Meehan
Director of Health Services*

Thank you, once again, for helping encourage our students to live out the Word through efforts like this which help us to engage within our community.

Next Thursday morning at the North Campus and the following Thursday at the South Campus, Mrs. Thyen will host another round of group tours, this time focusing on the early childhood programs. Please encourage anyone that you know to visit our website to learn more and to RSVP for a visit.

Finally, a quick reminder that tomorrow we will have another SPIRIT DAY! Students may wear any of their sports jerseys and shirts, spirit wear, or even just maroon and gold to celebrate our Wolf Pride!

Blessings and peace,
Margaret Kinel
