HEAD OF SCHOOL *happenings*

Dear Pope Francis Global Academy Families,

As we reflect on the many things for which we are thankful, I want to take this opportunity to share just a few of them with you:

We are thankful for our students who come to school every day ready to learn – they give us all a daily reminder of what is really important and why we are here.

We are thankful for the support of our parents in creating an outstanding partnership with us and for all that they do to support their child(ren)'s academic development and our teachers and school.

We are thankful for our child-centered teachers, classroom assistants, administrative assistants, maintenance men, substitute teachers, and administrators who truly care about the students' spiritual, academic, and social-emotional growth and development; they always have the students' best interest and well-being at heart.

We are also thankful for our volunteers who enthusiastically contribute so much to our school not only to support student and parent activities but also the vitality of our school.

This Thanksgiving, I pray that you and your loved ones are blessed with the gifts of love, health, hope, and faith.

Blessings and peace,

Margaret Kinel
Head of School
